MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Director, Office of External Affairs

SUBJECT: House Foreign Affairs Request for Narcotics Briefing,  
21 April

1. You have been requested to brief the Full House Foreign Affairs Committee, in a closed session, on U.S. Intelligence activities and priorities in the narcotics area at 1500 hours on Thursday, 22 April. The Subcommittee would like to have Drug Enforcement Agency (DEA) Gary Liming, Assistant Administrator for Intelligence, present to answer questions but not to testify. (U)
2. The Wednesday afternoon briefing will be one of several on the U.S. Narcotics situation. On 20 March, the Committee plans to have two panel discussions, one with State and local officials and the other with experts from the National Institute of Health (NIH), and drug research institutions. Wednesday morning they will hear from Dominick DiCarlo, Assistant Secretary of State for International Narcotics Matters; Ambassador to Colombia Thomas Boyatt; DEA Administrator Bud Mullen; and the U.S. Coast Guard Commandant in an open session. On Thursday morning there will be policy review hearings with Attorney General Smith; Under Secretary of State for Political Affairs Lawrence Eagleburger; Assistant Secretary of State for Latin American Affairs Thomas Enders; and Special Advisor to the President Dr. Carlton Turner. (U)
3. Two Committee staff members have traveled to Latin America, Mexico, and Pakistan and will go to Thailand and Burma to look into the effectiveness of the U.S. Government in combatting the flow of illegal narcotics. The
